

UNDER REGULATION 26, CROWN MINERALS (PETROLEUM) REGULATIONS 2007

Application for consent to flare or vent petroleum

- New Zealand Petroleum & Minerals recommends that applicants familiarise themselves with the Crown Minerals Act 1991 (the 'Act'), the relevant regulations, and the relevant Petroleum Programme, and seek professional advice where appropriate before making an application for consent to flare or vent petroleum. See www.nzpam.govt.nz/our-industry/rules-regulations for more details.
- Please note that information provided with your application is treated confidentially but may be subject to release under the provisions of the Official Information Act 1982. If this is the case, we may consult with you before the material is considered for public release.
- The personal information you must include in this form is needed to process your application under the Act. You have the right under the Privacy Act 2020 and/or the Official Information Act 1982 to access information held about you by New Zealand Petroleum & Minerals and request that this information be corrected if necessary.
- The information you provide in this form may be used for regulatory compliance or enforcement purposes according to the Ministry of Business Innovation and Employment's **Transparency Statement**.
- If the space on any part of this form is insufficient to include all relevant details, place them at the beginning of the Supporting information document in the order they appear in this form, state 'see Supporting information' in the appropriate space, and attach the document to the application.
